I have a song to bring, It has a simple melody,

There's hope in our song.

3. Sgt. Pepper's Lonely Hearts Club Band With a Little Help from My Friends

We're Sergeant Pepper's Lonely Hearts Club Band,
we hope you will enjoy the show.

Sergeant Pepper's Lonely Hearts Club Band,
sit back and let the evening go.

Sergeant Pepper's Lonely, Sergeant Pepper's Lonely,

Sergeant Pepper's Lonely Hearts Club Band
What would you do if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song,
and I'll try not to sing out of key.
Oh, I get by with a little help from my friends.
Mm, I get by with a little help from my friends.
Oh, I'm gonna try with a little help with my friends.

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?
No, I get by with a little help from my friends.
Yes, I get by with a little help from my friends.
Oh, I'm gonna try with a little help from my friends.

Do you need anybody?
I need somebody to love.
Could it be anybody?
I just need someone to love.
Oh, I get by with a little help from my friends.
Mm, I get by with a little help from my friends.
Yes, I'm gonna try with a little help from my friends.
Yes, I get by with a little help from my friends,
With a little help from my friends_____

4. The Gospel Train

Verse 1 The Gospel Train's a comin', I hear it just at hand
I hear the car wheels rumblin', they are rollin' through the land.

Get on board little children, Get on board little children,
Get on board, little children, there's room for many more.

Verse 2 I heard the Train's a comin, she's comin round the curve.
She's loosened all her steam and breaks and strainin' every nerve.

Get on board little children, Get on board little children
Get on board, little children, there's room for many more.

Verse 3 The fare is cheap and all can go, the rich and poor are there
No second class aboard this train, do diff'rence in the fare

Get on board little children, Get on board little children
Get on board little children, There's room for many more
So get on board little children, get on board little children,
Get on board little children, There's room for many more
T R A I N The Gospel Train is here!

5. How Far I'll Go

I've been staring at the edge of the water
Long as I can remember never really knowing why

I wish I could be the perfect daughter,
But I come to the water, no matter how hard I try

Ev'ry turn I take, ev'ry trail I track, ev'ry path I make, ev'ry road leads back
To the place I know where I can't let go, where I long to be.

See the line where the sky meets the sea, it calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me,
One day I'll know If I go, there's just no telling how far I'll go

I know everybody on this island seems so happy on this island.
Everything is by design
I know everybody on this island has a role on this island
So maybe I can call with mine

I can lead with pride, I can make us strong, I'll be satisfied if I play along
But the voice inside sings a different song, What is wrong with me?

See the light as it shines on the sea, it's blinding,
But no-one knows, how deep it goes.
And it seems like it's calling out to me,
So come find me and let me know.

What's beyond that line? Will I cross that line?
The line where the sky meets the sea, it calls me.
And no one knows, how far it goes.

If the wind in my soul on the sea stays behind me,
One day I'll know how far I'll go.

6. Touch the Sky

When the cold wind is a-calling, And the sky's clear and bright,
Misty mountains sing and beckon, Lead me out into the light.

I will ride, I will fly, Chase the wind and touch the sky,
I will fly, Chase the wind and touch the sky.

[Part 2] *Na, na, na, na, na, na,*
Na, na, na, na, na, na, na. (x2)

Where darkness hides secrets, And mountains are fierce and bold,

Deep waters hold reflections, Of times lost long ago.

I will hear their every story, Take hold of my own dream,
Be as strong as the seas are stormy, And proud as an eagle's scream.

I will ride, I will fly, Chase the wind and touch the sky,
I will fly, Chase the wind and touch the sky.

[Part 2] *Na, na, na, na, na, na,*
Na, na, na, na, na, na. (x2)

And touch the sky. Chase the wind, chase the wind. Touch the sky.

9. Clash and Bang

Clash and clang, bash and bang. Clash and clang, bash and bang.

Clash and clang, bash and bang up in the road the jazz-man sprang.
Clash and bang, bash and bang the one-man band playing in the street

Drums with his elbows, cymbals with his feet
Pipes with his mouth, accordian with his hand

Playing all the instruments to beat the band
Toot and jingle, hoot and jingle

Oh what a clatter how the tunes all mingle
Twenty children couldn't make as much noise
As the howling pandemonium of the one man jazz

10. That Dixieland Sound

ALL VOICES UNISON

I love the razzamatuzz you find in Dixieland Jazz;
There's such a wonderful feelin' in the rhythm it has.
We'll find a bass and some drums
And a piano man,
And we'll start up a Dixieland band!

PART 3

First we'll add a mellow trombone.
Let it play a tune of it's own.
Tap your feet and follow along
While it plays its happy song.

PART 2

And when the rhythm is set,
We'll add a sweet clarinet.
There's something really exciting
In the sound that it gets.
When ev'ry once in a while
It starts to improvise,
You'll be in for a special surprise!

PART 1 (or unison)

And when you hear that trumpet sound,
You really know you're Dixie bound.
Oh, yes, you'll want to be in that number
When you hear that trumpet sound!

PART 1 (with PARTS 2 & 3)

Oh, when the saints go marching in,
Oh, when the saints go marching in
Oh, yes we all can be in that number
When the saints go marching in!
Oh, when the saints go marching in,
Oh, when the saints go marching in
Oh, yes we all can be in that number
When the saints__go__march__ing__in__!
COME ON AND JOIN IN!
