8th July 2020

To Year 6 Parents/Carers

**Year 6 Yearbook and Bitmoji class photos**

The children have been working hard creating a yearbook to remember their time at Strand. This and a special lockdown Bitmoji Class Photo (your child will explain!) will be available to purchase on ParentPay from today. We are hopeful that the Yearbook and Class Photo will be available before the end of term but as you know delivery times are a little bit extended at the moment. They are a great memento of the children’s time at Strand, so order yours now!

Orders can be made via **ParentPay** – the payment item is now open. Please make your order by the end of the day on Friday. More details about the special activities we are planning for Year 6 to mark their final week will follow on Friday.

Best wishes,

The Strand Team
